*UWC schools, colleges and programmes enable students to make a difference. They provide the opportunity for highly motivated young people from diverse backgrounds to transcend the boundaries of race, religion, ethnicity, gender, nationality and economic status to develop a critical consciousness of the issues and causes of division in our world. Our mission is to make education a force to unite people, nations and cultures for peace and a sustainable future.*

**17. Preferences for United World Colleges\***

Applicants with advice and consent of their parents are asked to rank the colleges they would be interested in attending. Aim to rank 3 colleges in order of preference (1, 2, 3). UWC is a movement of colleges and this application is to the movement as a whole rather than to one particular college. Consult the websites of all the colleges before indicating your preferences. This ranking is not binding and would only provide the basis for a discussion at the shortlisting stage.
