I want to acknowledge here that many of my fellow Tibetans, inside and outside Tibet, have earnestly requested me to continue to do political leadership at this critical time. My intention to devolve political authority derives neither from a wish to shirk responsibility nor because I am disheartened. On the contrary, I wish to devolve authority solely for the benefit of the Tibetan people in the long run. It is extremely important that we ensure the continuity of our exile Tibetan administration and our struggle until the issue of Tibet has been successfully resolved.
