

# How you can help

The work of the Department of Education/Tibetan Children's Educational and Welfare Fund (TCEWF) is largely dependent on generosity of organizations and individuals. Your support and contribution to the TCEWF programs can greatly help in providing quality education to the needy Tibetan children, many of who have come all the way from Tibet risking even their lives while crossing Himalaya mountain passes.

You can become a sponsor of any of the projects by sending TCEWF the suggested contribution and specifying which project you are supporting. TCEWF will ensure the money is used for the earmarked project, and send you a receipt and thank you letter.

## Contribution To TCEWF's Program

- US\$ 30 per month or US\$360 per year to sponsor a child for school education.
- US\$650 per year or US\$2000 for three years to sponsor a student for higher studies.
- US\$ 1000 per year or US\$ 4000 for four years to sponsor a student for professional education such as engineering, medicines, management etc.
